

Invitation to join GlobalSCAPE training (delivered by Springer Nature)

Dear colleague,

The GlobalSCAPE online workshops are back with a second edition aimed at science communicators.

Springer Nature, as part of the GlobalSCAPE consortium, is delighted to present the following interactive virtual workshops tailored to the needs of science communicators.

Registration is now open to everyone, so we encourage you to secure your place as soon as possible. We invite you to register using the following link:

Practical information

Participation to these workshops is free for everyone. This new series includes three workshop topics delivered on separate days. You are strongly encouraged to attend the whole series of three workshops. We are offering two strands of the workshop series to accommodate participation from all over the world: **Strand 1** (Asia Time zone) is available to participants from Asia, India and Australia; **Strand 2** (Europe Time zone) is available to participants from Africa and Europe.

	1	2	3
Workshops	Working with scientists	Writing effective press releases	External promotion
Strand 1 (Asia Time Zone)	23-May	24-May	25-May
	All SESSIONS: 13:00 – 15:00 JST		
Strand 2 (Europe Time Zone)	6-June	7-June	8-June
	All SESSIONS: 10:00 – 12:00 CEST		

You can register using the following link:

Coming soon

Springer Nature is currently developing a programme of physical workshops on science communication that will be delivered in various locations around the world. We will keep you informed (if you have opted-in) as soon as the plan is announced.

More information will be published on our different channels: GlobalSCAPE [website](#), [Twitter](#), [Facebook](#).
